## Laser Cutting System / LS2 - U1 - 400 - CS PCB

LS2-U1-400-CS PCB Laser Cutting system

Applicable products: FPC, PCB, CCL

We made software, high cutting efficiency, high throughput

Software made by Aurotek, Autofocus function

Supports Industrial 4.0

- Sheet by sheet loading / unloading
- 355nm Wavelength Laser system
- Scanning area > 70 mm X 70 mm
- Minman laser line width 15um
- CCD positioning accuracy < 5um
